

Grommet Safe Area
Background Area - No text in this area

Template for Vertical Banner

(used with 24" X-Banner Stand)

Banner finished size:

24" x 62"

Notes:

- . No bleeds are necessary. Our digital process will print edge to edge.
- . When designing a banner: to prevent any text or important images from being interrupted by a grommet, you will want to keep them at least 2" away from edge. Your background image is fine.
- . You can upload your finished art to : www.kwixar.com/upload-digital-files/
- . Accepted file types: .pdf, .tif, .jpg, .psp, .ai
